

**January 1, 2017:**

## **McKell Risk Services expands its operation and services**

**McKell Risk Services (MRS), a successful independent wholesale brokerage firm based in New Jersey, is now expanding to provide additional services leveraging its partnership with Northport Financial. With experienced staff in New Jersey and Florida, MRS is positioned to provide greater quality service to our customers.**

**Our senior partners and the core team that have been serving our clients will guide our expanded team to meet your needs in 2017. We work with an established network of production sources, placing business with insurance carriers rated “A-“ or better by A.M. Best on an admitted or non-admitted basis.**

**With a combined industry experience exceeding 250 years, we are poised to address your needs and to assist you in a prompt and professional manner. Our team is well versed in a broad array of classes and works with our carriers, providing limits up to \$10,000,000. Limits can be used in a lead or excess capacity.**
